

No PRL Report Filed

Reason	Explanation/Solution
Applicators and/or commercial sales permittee did not make applications or sales during the report year .	All commercial applicators, technicians, anti-fouling applicators and/or commercial permittees must file a report or be included on their employer's report each year, even if they made no applications or sales occurred during the report year .
Applicators believe the company, business or agency will/must file an annual report for them.	Businesses are <u>not required</u> to file annual reports for employees, though many do.
Applicators and/or commercial sales permittees did not get the reminder notice or email from the NYSDEC, and failed to report	Reports must be filed even if the reminder is not received.
Incorrect certification ID number(s) and/or commercial permit numbers are listed in the report.	We use your ID number to associate you with your report, so it is critical that you report the <u>correct</u> certification ID number(s) and/or commercial permit numbers .
